Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR 1.56

In accordance with the duty under 37 CFR § 1.56 of each individual associated with the filing and prosecution of the above-identified patent application (hereinafter, "associated individuals") to disclose all information known to that individual to be material to patentability, Applicant(s) hereby submits attached Form PTO-1449 (modified) listing references cited in a communication from the Canadian Patent Office regarding the corresponding Canadian application. This submission is made in accordance with 37 CFR §§ 1.97 and 1.98 and § 609 of the Manual of Patent Examining Procedure.

It is hereby certified under 37 CFR §1.97 that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

The cited references, while believed to be of some relevance, are not necessarily considered to teach or suggest any aspect of the invention described and claimed in the above-identified patent application. Applicant(s) hereby expressly reserves the right to swear behind the effective dates of any of the cited references. Applicant(s) further reserves the right to question the relevance, materiality, and/or prior art status of any of the cited references in whole, in part, or in combination, subsequent to the filing of this information disclosure statement. This information

disclosure statement is also not to be construed as a representation that a search has, or has not, been conducted or that no better art exists.

The Examiner is respectfully requested to consider each of the cited references, to indicate such consideration by initialling in the space provided next to each cited references on the enclosed Form PTO-1449 (modified), to sign the initiated Form PTO-1449 (modified), and to return a copy of the same with the next communication to the Applicant(s).

For the convenience of the Examiner in considering the cited references, a copy each of the cited references is enclosed with this communication. In considering the cited references, it may be noted by the Examiner that certain of the references may contain markings, underlinings, and/or other notations. These markings, underlinings, and/or other notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the cited references. Any such markings were either present on the copies of the cited references obtained by the associated individuals, or were made thereon during the study of the references by the associated individuals.

Respectfully Submitted,
ROBERTS, Kim B. et al.
